

# Adventures in ODYSSEY®

## SUPER SLIDE

I started drawing up a plan for a new slide and got distracted adding loops. Now I can't find the way out of the house!  
Wanna try?

## SKYDIVING!

Skydiving is a thrilling sport—when you know what you're doing! *Think you know the answers to these questions?*

- 1 How fast do you typically fall?  
80mph    120mph  
100mph
- 2 How many jumps are needed to get licensed?  
25    50    100
- 3 How high above ground should you be before jumping?  
10,000ft    12,500ft  
17,500ft

Answers: 1-120mph, 2-25, 3-12,500ft

## GAMES! I LOVE GAMES.

Are you ready? Oh yeah, I'm Wooton, by the way. So, do you want to play?

## OUCH!

When my mailbag is too heavy, my back really starts to hurt. I carry 15 pounds at a time and my wagon carries four times as many envelopes, but my truck can carry 1,000 pounds! *How many large envelopes can each hold?*

1 envelope = 1/4 pound

- 1 Bag = \_\_\_\_\_ envelopes
- 2 Wagon = \_\_\_\_\_ envelopes
- 3 Truck = \_\_\_\_\_ envelopes

The fun continues at:
