

Make Your Own Chooser

Supplies

- Paper plates, any color (one for each Chooser)
- Large wiggle eyes
- Craft glue
- Pen or marker
- Sequins, pompoms, stickers, etc. for decoration
- Marabou boa (about 30 inches for each Chooser)
- Stapler
- Scissors

Directions

1. Attach wiggle eyes to the front of the paper plate with craft glue. If you want, draw a nose and mouth for your Chooser.
2. Decorate your plate with sequins, pompoms, stickers, or whatever you like!
3. With an adult's help, staple the marabou boa around the edge of the plate. Trim any excess.
4. Write a "choosing verse" on the back of the plate (see Scriptures about Choosing at YourMagnificentChooser.com for ideas).
5. Put the Chooser somewhere where you'll see it often to remind you to make good choices!
